17th September 2026

Dear Parents,

RE: RSE Consultation

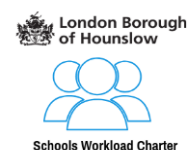

In 2020, Relationships Education and Health Education became statutory for all primary schools in England. Then in July 2025 the Department for Education published new Guidance for teaching RSHE, implemented from September 2026. We have reviewed our RSHE policy, in light of the updates to the statutory guidance. As part of this process, we wish to consult with parents/carers and invite you to complete a survey to give your views on our RSHE policy and curriculum.

The consultation begins on 16th September, 2026 and will close on 7th October, 2026. Your views are important to us; therefore, we invite you to complete the survey to share your views and Mrs Kelliher will be hosting an RSE information session for parents on the 29th September at 2.30pm. As a Catholic school, we wish to engage with parents and carers as the primary educators of your children.

To deliver the RSE curriculum we use the programme Life to the Full from Ten Ten. This programme has been approved by the Diocese of Westminster. Furthermore, Ten Ten Resources have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the RSHE statutory curriculum. This programme is based on 'A Model Catholic RSHE Curriculum' by the Catholic Education Service. Therefore, the programme is fit for purpose in supporting the growth and development of your child. Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you, as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

Ten Ten have an online parent platform so that you, as parents and carers, can engage with the teaching and deepen the experience for your child. Ten Ten have provided an online **Parent Consultation Course**. This is a simple-to-follow, short online course which:

- Outlines the statutory changes that have taken place in England
- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.
- Provides some information about key decisions we need to make, in consultation with parents.

We hope that our approach not only assures you about the new programme of resources we are going to use, but will be an important and exciting opportunity for our entire school community.

Relationship Education and Relationship and Sex Education and Health Education (Relationships and sex education (RSE) and health education - GOV.UK) is statutory for all primary schools. Parents/carers do have the right to withdraw their child from sex education and any non-statutory content in primary schools but you will need to contact Mrs Kelliher to discuss this, should you wish to exercise this right. To aid you in understanding what is statutory, we include a link to the National Curriculum Science Programme of Study. National curriculum in England: science programmes of study - GOV.UK

Thank you for your continued support.

Yours faithfully,

Mrs Kelliher
